

The BWSC 100 Club: Application Form

As the first year of the 100 Club was successful, we are continuing this year, and hoping for your support once again.

The BWSC 100 club will run on an annual basis and will coincide with the club's financial year, which ends on the 31st August. We are therefore proposing that the first draw will take place in September 2007. Entry to each draw will cost £1, requiring therefore an annual entry fee of £12; though you can of course enter more than once!

Each entry is a single entry for that named person into that month's draw. It is proposed that the prize fund will be set at 50% of the total entry fees, with a first prize of 35% and a second prize of 15%.

If for example we had 50 participants each month, we would have takings of £50, of which £25 would be spent on prizes, raising £25 for the club.

Assuming the same number of entrants per month, this would mean £300 of profit per annum. Naturally though, with a club membership of 200+ we have a target number of participants at greater than 50, hence raising even more funds for the club which will of course be used for the benefit of our members!
